YOUR FIRST EVENING

Visitation of a brewery & traditional Bavarian Buffet

Munich is known for its hospitality and its cozy inhabitants – and the beer tradition!

Your first evening starts with a guided tour through one of Munich's famous breweries where you gain an insight about this tradition, learn how the brew kettles work and maybe you can disclose secret behind our delicious German beer?

After your tour it's time for a traditional Bavarian evening: hearty regional cuisine, beer and Bavarian music will guarantee Oktoberfest-atmosphere.

Alternative proposal: visit of the famous "Hofbräuhaus"

Proposal for your "Brotzeit":

Every table will get three big plates and then just can help themselves

with smoked salmon, horseradish-cream, chive-sour-cream and crispy potato-fritters

with bread, juicy bone-in ham, homemade headcheese, liver-sausage, creamy "Obazda", cold roast and hearty curd cheese with herbs

with bread covered with tasty chives or lard, finely sliced icicle radish and red radish, bread and butter

...and of course homemade beer!

The evening merges in a relaxed Bavarian atmosphere...

YOUR DAY

Discovering Munich & "Bavaria-lympics"

After an extensive breakfast in your hotel, we start a sightseeing tour through Munich. You can choose whether you want to go by foot, by bike, with a double-decker-bus or by segway!

The topic of the tour can also be chosen individually. You can select out of a various options: for example the historic Old Town, the main sights, royal Munich, cultural Munich, modern architecture in Munich... Depending on the theme, we can also integrate actors as guides for your tour!

For lunch we will recommend a restaurant to you that will suit to your route and topic.

After lunch we move to one of Munich's famous parks, e.g. Olympiapark or English Garden. Our "Bavaria-lympics" await the guests: an Olympiad with typical Bavarian disciplines. Your group will be split into small teams and then - Play up! Depending on their success, they will obtain typical Bavarian objects, like pretzels or snuff. By means of these objects we will find out which team really deserves the title "Bavarian Urgstoan"!

Disciplines are:

Milking the cow

Lifting the beer mug

Saw the bole up

Throw the horseshoe

Drive the nail in

...

After this exhausting afternoon-activity you will have some time to relax.

YOUR EVENING

Exceptional location & Exclusive Dinner & Party

Enjoy your last evening in Munich with a wonderful dinner at an exceptional location and a party closing your great stay in Munich!

Our first proposal is a **Lounge** above Munich. It is located on the 14th floor of a Munich tower. Here you can get an extraordinary view of Munich while being catered.

Another exclusive location is a **former swimming pool**, which was changed into a club, a lounge and a terrace. A flexible room-concept is able to adapt to your individual desire.

We can also recommend to you a location with industrial character: the old building captivates with the old coalmine, pipes and metal-pillars. These facilities are put into gallery by special lights and give your party a special atmosphere.

If you prefer a royal residence – no problem! Munich has to offer the suitable location for each occasion.

Castles and magnificent venues are also bookable for your event:

Just tell us about your requirements and we develop a program including locations adapted to one central theme for the whole stay and activities!

After a restful night, our airport-service will accompany you until you are on your way back home!

These programs are just ideas! Give us your briefing and we give you a unique proposal!

We're looking forward to hearing from you!
