YOUR FIRST DAY

**Munich-Rallye (half-day)**

Just a normal guided tour through Munich – much too simple for us!

After an extensive breakfast at your hotel, your group will be separated in teams. Equipped with an envelope including tasks, a map of Munich, tickets for public transport, a camera and an insider, they start off with a special rallye that will guide them through the city and lead them to important sights where they have to manage tricky tasks.

Tasks can be:

- Taking a picture with special persons / at a special sight
- Trying/Buying specialties at the “Viktualienmarkt”
- Counting the stairs to the “most beautiful view of Munich”
- Buying all ingredients needed for a Bavarian veal sausage

The will of getting to know the city is supported by the winning motive and so all teams will push themselves.

A meeting-time and place will be announced from where we go on for the next highlight!
